Time: 9:00 am – 11:00 am

Parenting is harder than it has ever been in the past. Many parents struggle to assert their natural power to parent, citing personal and societal shifts that complicate parenting in today's culture. In this program, participants are exposed to concepts related to creating, maintaining and restoring the parental connection that is critical to raising children in today's world, and vital to those more difficult to manage, or 'stuck,' children. Program topics include: dealing with resistance in children, addressing the roots of aggression, preventing competing attachments, and discipline that does not damage relationships.

Program Cost: \$225.00 (cash or cheque) This includes eight 2-hour sessions, for a total of 16 hours of work together. Please note: All Programs are between 8-12 participants.

Location Directions: 417 to Eagleson Road turn off. Go South to Rothesay Dr. (right turn after Fire Station). Follow Rothesay Dr. to Shouldice.
